

# The Survivor Mitzvah Project

## This **Chanukah** Ignite the **Power of Compassion**

*This Chanukah, Holocaust survivors are ill and alone.*

*Many have only a distant childhood memory of ever seeing a menorah.*

*The friendship, hope and life-saving aid you provide creates a sense of family for those who would otherwise be neglected and forgotten.*

*"How amazing that people who have never even seen us think about us, sympathize with us, and support us during these terrible times."*
