

# The Survivor Mitzvah Project™

*Your Donations go directly  
into the hands of elderly  
Holocaust Survivors  
in desperate need!*

When Holocaust Survivors receive your generous donations, it is truly a miracle for them. For over 75 years they have been forgotten by the world, suffering in silence. Your generosity has changed that.

Throughout the year, The Survivor Mitzvah Project identifies more and more elderly Holocaust survivors in Eastern Europe who need our support. We recently added over 100 new survivors to our roster. Many are from Vinnitsa, Ukraine, where there are hundreds more waiting for help.

Because of your kindness, survivors new to our Emergency Aid Program like Mikhail, Bronislava, and Maya have begun the incredible journey of healing and compassion, only because you care.

*Mikhail Grigorievich, 86, suffers from lung and kidney ailments. He will now be able to afford medications and in-patient care.*

*Bronislava Yakovlevna, 78, suffers from severe glaucoma, and cataracts. She can now afford the medications that will prevent her from becoming completely blind.*

*Maya Izrailevna, age 82, receives her first gift of aid from The Survivor Mitzvah Project. Her government pension is only \$45/month; not enough for food, heat or medications. Now she can afford these life-saving necessities.*

*These miracles are due to your help. You are making a difference!*

*Yulia Stepanovna was just a baby at war's end. Survivors who were young children during the Holocaust were seriously affected because they grew up malnourished, lacking enough milk, protein and basic nutrition. As adults they have major health issues.*

*While most of the survivors we help are in their 80s and 90s, with some even 100 years old, Yulia is 73. She looks far older than her years because she has been denied healthcare her entire life. She will use the money for food and medications.*

Thank you for helping our new survivors, affording them the care, comfort and dignity they deserve, and letting them know they have not been forgotten.

By participating in The Survivor Mitzvah Project you are making sure that no Holocaust survivor who has experienced the darkest days of human history will ever suffer, be hungry, neglected or forgotten again.
