Thanksgiving

Mitzvah Project

“My dearest, beloved friends, I am very grateful to you for your help. You support me during these difficult times. My health is weak. Age takes its toll. I am trying to keep my spirits high. During the war life was very hard. We had nowhere to live, nothing to eat. I had one skirt that I made from a bag, and some slippers made from a rug. I learned that the war was over through loudspeakers on telegraph poles. We all cried, laughed and danced. We were glad we would soon return home. But where? Our house in Belarus was burned.

Dearest ones, love your life, stay inspired. Don't be afraid of the passing years. May your spirits be bright, and sorrows pass you by. I wish for you a lilac bush, the great blue sky, a smiling Sun, and the joy of love and happiness! I love all my American friends so much.”

- Mina Zalmanovna, Belarus, Fall 2017

All across Eastern Europe thousands of Holocaust Survivors are thanking you for your kindness and compassion. Some survivors were adults during the Holocaust and some survivors in our care were only children when the war began. Little boys and girls who grew up orphans, without enough food or clothing or shelter from the elements.

Against all odds, they are still here.

We give thanks for their strength, their resolve, and their hope for humanity, which is an inspiration to us all.
