

*For my Bat Mitzvah project I have decided to help the last survivors
of the Holocaust in Eastern Europe.*

THE SURVIVOR MITZVAH PROJECT is the only organization in the world providing direct and continuous financial aid to these elderly and forgotten people who are sick, impoverished, and isolated. Their families and communities destroyed by the Nazis, they struggle to survive in their few remaining years, lacking the means to buy even the most basic of human necessities: food, medicine, heat and shelter. Many live in horrific conditions, without family or caregivers. The Survivor Mitzvah Project brings help quickly and directly, ensuring that they may live out their last years with some measure of comfort, support, and dignity.

In honor of the 6 million who perished, I am helping those that survived.

Please join with me in helping these Holocaust survivors by making a donation to
