

Happy Holidays!

Many Ways to Give!

The Survivor Mitzvah Project is honored to receive generous donations from people of all faiths. We all share compassion for others in need.

This year, an early Chanukah is coming on Sunday, December 2nd!

It's already time to plan gifts for family & friends as well as for the Holocaust survivors in Eastern Europe. The Festival of Lights will burn bright with your help.

Honor someone special for Chanukah or Christmas with a Tribute Donation and provide homecare for survivors who are ill and alone.

When you make a Tribute Donation in the name of a friend or family member, they receive a beautiful parchment certificate from you including the name of the Holocaust survivor helped by your generosity.

With a Tribute Donation you will **bring homecare to Holocaust survivors like Vera Vulfovna of Khust Ukraine** (pictured, left), whose health is failing. Once active and known for her cooking, Vera always made her delicious *sufganiyot*, the traditional jelly doughnut served at Chanukah. Now Vera cannot walk. She needs looking after.

Shopping on Amazon for gifts? Give the gift of sight.

Go to smile.amazon.com and designate *The Survivor Mitzvah Project* as your charity. Every time you shop, Amazon gives!

Shopping on smile.amazon.com helps survivors like Lira K. (pictured, right) in Belarus, who is almost totally blind. Weak and frail, she can barely walk and falls often. Men must be called from the street to help her. Eye surgery for survivors like Lira is a meaningful gift.

100% of your donation goes directly into the hands of a survivor in need.

Find a Match. Bring heating fuel to survivors.

Ask your employer and/or financial institution about setting up a Matching Fund. **For every dollar you donate, many firms will match that amount, doubling the value of your donation!**

This provides winter heating fuel for survivors like Riva K. (pictured, right) in Belarus. The winters are bleak, cold and long. Heating fuel is so expensive survivors "make do" with 100-year-old wall stoves that require them to chop firewood.

Donate Stocks or Securities to provide medications.

Abram D. (pictured, left), living in a village in Ukraine, is all alone since his beloved Malka passed away. **At age 95 he needs medications he cannot afford without your help.**

Selling depreciated stocks and securities could result in huge tax bills, but **donating securities can be a big tax advantage for you under the new tax laws!**

Our Depository Trust Company (DTC) number is 0141.

Our Wells Fargo Bank account number is 24120654.

Use Facebook to create a holiday fundraiser! It's easy to launch a Facebook fundraiser. **You can raise hundreds or thousands of dollars by involving all Facebook friends in this worthy cause.**

Fundraisers supply elderly survivors with food.

A family fund can be family fun! Bring new meaning to your family's charitable giving by setting up a Donor Advised Fund for Holocaust survivors in need. Your family can contribute year long to help survivors. **A Donor Advised Fund is a win-win proposition. It will likely lower your tax bill at the same time that it helps survivors.** All family members can watch the fund grow and be involved in having an impact!

Remember, it is your kindness and compassion that accomplishes great things.

Your continued generosity is crucial for elderly survivors

to make it through the winter.

"I have almost died many times, but each time I continued to live. I will always remember you, my rescuers" -Simon T., Lithuania
