

The Survivor

Mitzvah Project

January 27th is International Holocaust Remembrance Day.

For the Survivor Mitzvah Project, every day
is Holocaust Remembrance Day.

There are still thousands of Holocaust Survivors
who desperately need our help.

Honor the dead, by helping the living.

On this day of remembrance for those who perished,
honor their memory by bringing life-saving aid to
their family members who survived.

In Belarus, Estonia, Latvia,
Lithuania, Moldova, Transnistria,
and especially in war-torn Ukraine,
Survivors of the Holocaust need heat, food,
medications, homecare, and some loving kindness.

It's so easy to help them!

From your hands to their hands!

**When you donate to
The Survivor Mitzvah Project,
you are donating directly into the
hands of Holocaust survivors in need.**

**Our teams on the ground
in Eastern Europe will immediately
deliver your donation**

to survivors who are suffering without heat, food, and medicine. Our team will hire caregivers for the blind and bedridden, and make sure survivors are cared for in a kind and compassionate manner.

Your donation will be immediately lifesaving!
